Chief of Staff
Headquarters Second Army
Fort George G. Meade, Maryland

Dear Bob:

STAT Thank you for your letter of 10 March giving me some background information on [redacted]

STAT [redacted] was cleared for employment here around the middle of October of last year on our understanding that he would be available to come on duty within a reasonably short time. The position for which he was selected was in one of our activities which is just going through the process of a complete reorganization involving considerable streamlining and the elimination of quite a number of previously established positions. The reorganization plans are not yet complete enough for us to determine whether the position previously held for him will continue to be available. If the position is retained and not needed to provide for one of the employees already on our rolls who would otherwise have to be dropped, we will be glad to have [redacted] upon his release from hospitalization subject to such further processing requirements as may be necessary due to the extended period since his initial acceptance for employment. STAT

I do appreciate the kind sentiments you expressed in your letter and will be most happy to see you at any time you can get over here. I will certainly take advantage of your offer to be of service should occasion arise.

hand-written by DCI: Let me know when you get over to Washington. I can afford a lunch or a drink. Sincerely,
